The check engine light on my 1996 Honda Accord has come on. I took it to the auto zone and the guy told me I needed new spark plugs. Well I got the spark plugs put on and the light still did not go off. So I took the car back to the shop to get it looked at and the code that came up was misfire in cylinder three. What does that mean?

Check Engine Light on 1996 Honda Accord
How to Check Engine Oil Level on 1996 Honda Accord. The 1996 Honda Accord engine oil level should be checked at least 30 minutes after the vehicle has been driven or not driven at all. You must allow the engine oil to settle into the oil pan before checking the engine oil level.
