A Season In Hell Illuminations

A Season in Hell. Arthur Rimbaud - 1854-1891. A while back, if I remember right, my life was one long party where all hearts were open wide, where all wines kept flowing. One night, I sat Beauty down on my lap.—And I found her galling.—And I roughed her up. I armed myself against justice.

A Season in Hell & Illuminations was a book that I was introduced to in the dead of night. I was handed the text and asked to read and, being me, proceeded to open to random pages and read aloud in an impassioned tone. When read like this - in the middle of the night with all of its magic and attractions, the text is like fire.

Translated, edited and with an Introduction by Wyatt Mason “ The definitive translation for our time. ” —Edward Hirsch
From Dante ’ s Inferno to Sartre ’ s No Exit, writers have been fascinated by visions of damnation. Within that rich literature of suffering, Arthur Rimbaud ’ s A Season in Hell—written when the poet was nineteen—provides an astonishing example of the grapple with self. As a companion to Rimbaud ’ s journey, readers could have no better guide than Wyatt Mason. One of our most talented young translators and critics, Mason ’ s new version of A Season in Hell renders the music and mystery of Rimbaud ’ s tale of Hell on Earth with exceptional finesse and power. This bilingual edition includes maps, a helpful chronology of Rimbaud ’ s life, and the unfinished suite of prose poems, Illuminations. With A Season in Hell, they cement Rimbaud ’ s reputation as one of the foremost, and most influential, writers in French literature.

A Season in Hell is an extended poem written and published by French writer Arthur Rimbaud. The book had a considerable influence on later artists and poets, for example the Surrealists. Henry Miller was important in introducing Rimbaud to America in the sixties. He once attempted an English translation of the book and wrote an extended essay on Rimbaud and A Season in Hell titled The Time of the Assassins. The poem is loosely divided into nine parts, some of which are much shorter than others. They differ markedly in tone and narrative comprehensibility, with some, such as “Bad Blood,” being much more obviously influenced by Rimbaud's drug use than others, some argue. Academic critics have arrived at many varied and often entirely incompatible conclusions as to what meaning and philosophy may or may not be contained in the text, and will continue to do so.

CHARLES NICHOLL, author of SOMEBODY ELSE: ARTHUR RIMBAUD IN AFRICA 1880-91 has written of Dennis J. Carlile's translation of RIMBAUD:THE WORKS. "These are the best renditions of Rimbaud in English since Wallace Fowlie's nearly forty years ago, and many of them surpass that high standard. These poems have been wrestled with, which is the very least they demand, and successfully brought back home. Carlile gets the difficult switches and swoops of tone mostly right, and the linguistic detail is impressive--for 'un voix étrangaint mon cœur gele' you can't get much better than 'a voice would hobble my frostbitten heart.'" This new translation of Rimbaud is the first in English to include the fragments and a "Found Poem" in English. Notes and commentary along with a life-chronology and "selected further media" assist the reader in delving into these darkly brilliant visions. RIMBAUD: THE WORKS is the first new English version of this poet's work in 25 years. It contains all of his extant work from 1869 to 1875. The book is laid out in four parts. PART ONE contains "A Season In Hell" (1873) along with Delmore Schwartzs perceptive introduction (out of print for over half a century). PART TWO contains all the poetry and prose pieces composed between 1869 and 1875, including THE DRUNKEN BOAT, the "Album Zutique" and the fragments called Bribes first published by Gallimard in 1954. PART THREE consists of "Illuminations" (c. 187274) with a brief preface culled from Enid Starkies ARTHUR RIMBAUD. "Illuminations" is lineated according to the authors manuscript (published in facsimile with facing print text by Editions Bibliothèque de l'Image 1998) and the order of the text is that of the manuscript. A set of notes for each section defines obscure geographic, linguistic, historical, and mythological allusions found in the text. PART FOUR presents a chronology of the poets life, followed by selected commentary from Aldous Huxley, William H. Gass, Marie-Louise von Franz, Paul Verlaine, Jefferson Humphries, Bertrand Mathieu, Sean Lennon, and Ralph Vaughan Williams, among others. A guide to selected further media (books, music, CD-ROM, video, and film) is also included. [Aside from "Illuminations," which is based on the manuscript copy, the French texts utilized for the translation were those of Gallimard (ed. Forestier) and Flammarion (ed. Steinmetz).] Cover portrait and frontispiece of Rimbaud plus three illustrations by Alexia Monibon.

Although he abandoned poetry before he was twenty-one years old, and wrote for only five or six years in all, Arthur Rimbaud has had an extraordinary influence on modern poetry. His work helped inspire poetic Symbolism, Dadaim, and Surrealism. Rimbaud dreamed of re-creating life through his words. Not content merely to describe the world, he longed to reorder it through his revolutionary poetry. He rebelled against all forms of hypocrisy, as well as against conventional concepts of love, morality, religion, and art. He even dreamed of liberating women from "endless servitude." Written a century ago, A Season in Hell and The Illuminations read like the works of an avant-garde poet of today. In her Introduction dealing with Rimbaud's life and work, Enid Rhodes Peschel discusses his concept of the voyant, the poet-visionary he dreamed of becoming through a "reasoned deranging of all his senses." A Season in Hell, which combines autobiography with self-appraisal, vision and hallucination, reflects Rimbaud's tortures in trying to be a voyant. The forty-two poems of The Illuminations, kaleidoscopic evocations of a universe in continual evolution, are further evidence of his attempts to reach this transcendent state. Enid Rhodes Peschel has succeeded in not only translating these works but in recreating them. Eye, ear, mind, and heart have all been engaged in her effort to capture the tone and rhythm of Rimbaud's language as well as the quality of his thought. Book jacket.

"With skill and imagination, Bertrand Mathieu gives us an intimacy of the spoken American that allows readers to absorb themselves in Rimbaud's private drama as in an obsessive dream of our own.... Mathieu has earned our gratitude and praise for his accomplishment: to have given Rimbaud his contemporary relevance for us."--David Ignatow

Enduring icon of creativity, authenticity, and rebellion, and the subject of numerous new biographies, Arthur Rimbaud is one of the most repeatedly scrutinized literary figures of the last half-century. Yet almost thirty years have elapsed without a major new translation of his writings. Remedying this state of affairs is Rimbaud Complete, the first and only truly complete edition of Rimbaud ’ s work in English, translated, edited, and introduced by Wyatt Mason. Mason draws on a century of Rimbaud scholarship to choreograph a superbly clear-eyed presentation of the poet ’ s works. He arranges Rimbaud ’ s writing chronologically, based on the latest manuscript evidence, so readers can experience the famously teenaged poet ’ s rapid evolution, from the lyricism of “ Sensation ” to the groundbreaking early modernism of A Season in Hell. In fifty pages of previously untranslated material, including award-winning early verses, all the fragmentary poems, a fascinating early draft of A Season in Hell, a school notebook, and multiple manuscript versions of the important poem “ O saisons, ô châteaux, ” Rimbaud Complete displays facets of the poet unknown to American readers. And in his Introduction, Mason revisits the Rimbaud myth, addresses the state of disarray in which the poet left his work, and illuminates the intricacies of the translator ’ s art. Mason has harnessed the precision and power of the poet ’ s rapidly changing voice: from the delicate music of a poem such as “ Crows ” to the mature dissonance of the Illuminations, Rimbaud Complete unveils this essential poet for a new generation of readers.

Arthur Rimbaud's "A Season in Hell" is a prose poem loosely divided into nine parts. In one part of the poem the poet portrays quite transparently his own relationship with French symbolist poet Paul Verlaine. The two had a brief alcohol and drug fueled affair which finally came to end when Verlaine shot Rimbaud in the wrist in a drunken rage. "A Season in Hell," which has been referred to as a pioneering example of modern symbolism, is included in this collection along with "The Drunken Boat," a fragmented first-person narrative which vividly describes the drifting and sinking of a boat lost at sea. It is probably one of the best known works from Rimbaud's early period. Also included in this edition is what is arguably Rimbaud's masterpiece, "Illuminations." A collection of forty-two poems almost all of which are in a prose format. Albert Camus hailed Rimbaud as "the poet of revolt, and the greatest." This greatness can be readily seen in this exemplary collection of "A Season in Hell, The Drunken Boat, and Illuminations." This edition is printed on premium acid-free paper and follows the transtations of James Sibley Watson, Lionel Abel, and Wallace Fowlie.

ARTHUR RIMBAUD: A SEASON IN HELL edited and translated by Andrew Jary
A new translation of Arthur Rimbaud's extraordinary poetic statement, written in 1873. The sensual, violent and anguished emotion in Rimbaud's visionary 'alchemy of the word' remains startling, and continues to inspire poets. Printed with the French text facing the translation. For a time, when he was a teenager until he was 19, art was crucial for the psychic well-being of the restless Arthur Rimbaud (1854-1891). The young would-be rebel Rimbaud escaped from the bland provincial town of Charleville in Northern France to wander the streets of Paris in poverty. After writing his Illuminations and A Season in Hell, some of the most extraordinary poems of all world literature, Rimbaud renounced it all for a hellish and apparently boring life in Aden. 'Mortel, ange ET demon, autant dire Rimbaud,' as Rimbaud's lover, Paul Verlaine wrote ('Mortal, angel AND demon, that is to say Rimbaud') Arthur Rimbaud is the tornado of world poetry. He out-blasts just about every other poet. For poets, he is more significant than the so-called 'founding fathers' or influential philosophers of modern times: Marx, Freud, Nietzsche and Einstein. For poets, he is everybody's favourite hippy, a Communist, a precursor of the current movement of subversion of Western notions of self, society, and discourse, and a savage mystic. Arthur Rimbaud is one of the most authentically rebellious of modern poets. Other poets have written of rebellion and radical action, but Rimbaud is one of the very few who actually carried it out (and didn't sound like an idiot when he spoke of it). Picture the young poet in his mid-teens, utterly bored by the living deaths of suburban life, aching to run away to Paris. Though he was dragged back a number of times, Rimbaud's life after his early teens was never again centred in his homeland. True, he returned to his mother, family and homeland, but his true heartland, his landscape of the soul, was elsewhere. Rimbaud was ever a poet of elsewhere, the other place, displacement. He was always another person: 'Je est un autre (I is an other). He rebelled partly for the joy of rebellion. His early poetry is marked by an extraordinary virulence and anger. Illuminations and A Season in Hell, his major works, are also powered by an immense anger - a cosmic anger, a psycho-cultural-spiritual turmoil. Illustrated, with a newly revised text for this edition. Introduction, bibliography and notes. ISBN 971861713605. www.cmoon.com

This excellently translated collection of witty, sarcastic, and expressive works includes the complete version of Rimbaud's autobiographical A Season in Hell, his entire Illuminations, a large selection of early verse poems, and "The Drunken Boat," considered by many to be his masterpiece.
