The Fourth Edition of Niva Tro's Chemistry: A Molecular Approach reinforces development of 21 st century skills including data interpretation and analysis, problem solving and quantitative reasoning, applying conceptual understanding to new situations and peer-to-peer collaboration.

Chemistry: A Molecular Approach, Books a la Carte Edition ...

Tro's four-step "Sort, Strategize, Solve, and Check" problem-solving approach in the worked examples helps students connect the chemistry concepts to the problem and to its solution by developing an explicit conceptual plan for each problem. This method helps students understand where to start a problem and to think through the solution rather than simply formula hunting based on the given information.
