AVK have invested heavily in our own fleet of power rental solutions - from single-trailer mounted generators of 40-500 kVA, to fully self-contained 40ft ISO 'power generation modules' with up to 2MVA of backup power, plus our own containerised UPS systems up to 1MVA power mounted on transportable trailers, we're able to satisfy the critical power requirements that any business may need.

AVK – The Power People

Ratings Books. Established in 1904, Cummins Generator Technologies manufactures alternators under the renowned NEWAGE ®, STAMFORD ® and AvK ® brands setting the industry standard, with a range extending from 7.5 to 11,200kVA, suitable for all generator set configurations. Although our products are used in a variety of applications, the common factor is that Cummins Generator Technologies work to a single standard for both products and services no matter where you are in the world.
