implementing BIM.

BIM and the small practice | NBS

Contrary to received wisdom that BIM is best suited to large practices working on major projects, David Miller has become something of a BIM evangelist for small practices, arguing that smaller businesses have a real opportunity at the moment to subvert the big boys who have to struggle with change management.

[IC7.eBook] BIM in Small Practices: Illustrated Case ...
BIM in Small Practices: Illustrated Case Studies BIM (Building Information Modelling) is revolutionising architecture and construction, as more and more practices are realising the benefits it brings to design, sustainability, and construction. There is a perception that BIM is a process best left to large practices requiring significant resources and the ability to invest heavily in IT.

Bim In Small Practices Illustrated Case Studies | dev ...
There is a real need for BIM training and professional development and this need will only increase as BIM becomes a reality for more practices and as we move deeper towards Level 2 and 3 BIM. Some small practices may feel excluded from the BIM journey and the report explores this theme in some detail. But among those small practices which

NBS National BIM Report - buildingSMART
BIM in Small Practices: Illustrated Case Studies. By
Robert Klaschka. BIM in Small Practices by Robert
Klaschka was written to topple the misconception that
BIM is a process that should be left to large practices
only. The author highlights a collection of BIM projects
that were created by small architectural practices.
