Caim Jose Saramago José Saramago is certainly not the first writer to question the logic of the old testament, the legitimacy of the Lord’s pronouncements, and the merits of the prophets who interpreted those pronouncements for the benefit of the descendants of Adam and Eve, and sometime later, for the benefit of descendants of the very small gene pool of Noah ’ s family who survived the Flood and repopulated the earth when everyone else was drowned, but Saramago is possibly one of the most creative and original to

Cain is the last novel by the Nobel Prize -winning Portuguese author José Saramago. The book was first published in 2009. In an earlier novel, " The Gospel According to Jesus Christ ", Saramago retold the main events of the life of Jesus Christ, as narrated in the New Testament, presenting God as the villain.

#124 - Caim - José Saramago

For Saramago, a lifelong communist, God stands for the human tyrants who render life on earth a torment. Cain ’ s revolt against God is a rebellion against all the injustices of the world. Eventually, Cain returns to killing in a rage against God ’ s vilenes.

Se, em O Evangelho segundo Jesus Cristo, José Saramago nos deu sua visão do Novo Testamento, neste Caim ele se volta aos primeiros livros da Bíblia, do Éden ao dilúvio, imprimindo ao Antigo Testamento a música e o humor refinado que marcam sua obra. Num itinerário heterodoxo, Saramago percorre cidades decadentes e estábulos, palácios de tiranos e campos de batalha, conforme o leitor acompanha uma guerra secular, e de certo modo involuntária, entre criador e criatura. No trajeto, o leitor revisitará episódios bíblicos conhecidos, mas sob uma perspectiva inteiramente diferente. Para atravessar esse caminho árido, um deus às turras com a própria administração colocará Caim, assassino do irmão Abel e primogênito de Adão e Eva, num ativo jegue, e caberá à dupla encontrar o rumo entre as armadilhas do tempo que insistem em atraí-los. A Caim, que leva a marca do senhor na testa e portanto está protegido das iniquidades do homem, resta aceitar o destino amargo e compactuar com o criador, a quem não reserva o melhor dos julgamentos. Tal como o diabo de O Evangelho, o deus que o leitor encontra aqui não é o habitual dos sermões: ao reinventar o Antigo Testamento, Saramago recria também seus principais protagonistas, dando a eles uma roupagem ao mesmo tempo complexa e irônica, cujo tom de farsa da narrativa só faz por acentuar. A volta aos temas religiosos serve, também, para destacar o que há de moderno e surpreendente na prosa de Saramago: aqui, a capacidade de tornar nova uma história que conhecemos de cabo a rabo, revelando com mordacidade o que se esconde nas frestas dessas antigas lendas. Munido de ferina veia humorística, Saramago narra uma estranha guerra entre o homem e o senhor. Mais que isso, investiga a fundo as possibilidades narrativas da Bíblia, demonstrando novamente que, ao contar a mito e confrontar a tradição, o bom autor volta à superfície com uma história tão atual e relevante quanto se pode ser.

O vencedor do prêmio Nobel José Saramago reconta episódios bíblicos do Velho Testamento sob o ponto de vista de Caim, que, depois de assassinar seu irmão, trava um incommum acordo com Deus e parte numa jornada que o levará do jardim do Éden aos mais recônditos confins da criação. Se, em O Evangelho segundo Jesus Cristo, José Saramago nos deu sua visão do Novo Testamento, neste Caim ele se volta aos primeiros livros da Bíblia, do Éden ao dilúvio, imprimindo ao Antigo Testamento a música e o humor refinado que marcam sua obra. Num itinerário heterodoxo, Saramago percorre cidades decadentes e estábulos, palácios de tiranos e campos de batalha, conforme o leitor acompanha uma guerra secular, e de certo modo involuntária, entre criador e criatura. Mais que isso, investiga a fundo as possibilidades narrativas da Bíblia, demonstrando novamente que, ao contar o mito e confrontar a tradição, o bom autor volta à superfície com uma história tão atual e relevante quanto se pode ser. A caligrafia da capa é de autoria do escritor Milton Hatoum.

A “ winkingly blasphemous retelling of the Old Testament ” by the Nobel Prize-winning author of The Gospel According to the Jesus Christ (The New Yorker). In José Saramago final novel, he daringly reimagines the characters and narratives of the Old Testament. Placing the despised murderer Cain in the role of protagonist, this epic tale ranges from the Garden of Eden, when God realizes he has forgotten to give Adam and Eve the gift of speech, to the moment when Noah ’ s Ark lands on the dry peak of Ararat. Condemned to wander forever after he kills his brother Abel, Cain makes his way through the world in the company of a personable donkey. He is a witness to and participant in the stories of Isaac and Abraham, the destruction of the Tower of Babel, Moses and the golden calf, and the trials of Job. Again and again, Cain encounters a God whose actions seem callous, cruel, and unjust. He confronts Him, he argues with Him. “ And one thing we know for certain, ” Saramago writes, “ is that they continued to argue and are arguing still. ” “Cain’s vagabond journey builds to a stunning climax that, like the book itself, is a fitting capstone to a remarkable career.”—Publishers Weekly, starred review This ebook includes a sample chapter of Jose Saramago ’ s Blindness.

In a reimagining of the Old Testament, Cain, condemned to wander forever for murdering his brother, journeys through time and space to witness key biblical events that impress upon him the unjust nature of God’s edicts.

This collection, available exclusively in e-book form, brings together the twelve novels (and one novella) of the great Portuguese writer José Saramago, with an introductory essay by Ursula Le Guin. From Saramago’s early work, like the enchanting Baltasar & Blimunda and the controversial Gospel According to Jesus Christ, through his masterpiece Blindness and its sequel Seeing, to his later fables of politics, chance, history, and love, like All the Names and Death with Interruptions, this volume showcases the range and depth of Saramago ’ s career, his inimitable narrative voice, and his vast reserves of invention, humor, and understanding.

A story by Nobel Prize-winning writer Jose Saramago, gorgeously illustrated in woodcuts by one of Brazil's most famous artists. When a lizard appears in the neighborhood of Chiado, in Lisbon, it surprises passers-by, and mobilizes firefighters and the army. With a clear and precise style, the fable offers a multitude of senses, reaching audiences of all ages. "The Lizard" is a short story included in A Bagagem do Viajante (1973), a volume that brought together the Saramago chronicles for the newspaper A Capital and the weekly Jornal do Fundão between 1971 and 1972. Translated by Nick Caistor and Lucia Caistor, The Lizard, is an illustrated version of the chronicle by J. Borges.

A stunningly powerful novel of humanity's will to survive against all odds during an epidemic by a winner of the Nobel Prize for Literature. An International Bestseller • "This is a shattering work by a literary master. " —Boston Globe A city is hit by an epidemic of "white blindness" which spares no one. Authorities confine the blind to an empty mental hospital, but there the criminal element holds everyone captive, stealing food rations and raping women. There is one eyewitness to this nightmare who guides seven strangers—among them a boy with no mother, a girl with dark glasses, a dog of tears—through the barren streets, and the procession becomes as uncanny as the surroundings are harrowing. A magnificent parable of loss and disorientation, Blindness has swept the reading public with its powerful portrayal of our worst appetites and weaknesses—and humanity's ultimately exhilarating sprit. "This is a an important book, one that is unfairld to face all of the horror of the century."—Washington Post A New York Times Notable Book of the Year A Los Angeles Times Best Book of the Year

A “ marvelously amusing ” political fable in which part of the European continent breaks off and drifts away on its own (Publishers Weekly, starred review). A Nobel Prize winner who has been called “ the Garcia Márquez of Portugal ” (New Statesman) chronicles world events on a human scale in this exhilarating allegorical novel. One day, quite inexplicably, the Iberian Peninsula simply breaks free from the European continent and begins to drift as if it were a sort of stone raft. Panic ensues as residents and tourists attempt to escape, while crowds gather on cliffs to watch the newly formed island sail off into the sea. Meanwhile, five people on the island are drawn together—first by a string of surreal events and then by love. Taking to the road to explore the limits of their now finite land, they find themselves adrift in a world made new by this radical shift in perspective. As bureaucrats ponder what to do about their unusual predicament, the intertwined lives of these five strangers are clarified and forever changed by a physical, spiritual, and sexual voyage to an unknown destination. At once an epic adventure and a profound fable about the state of the European project, The Stone Raft is a “ hauntingly lyrical narrative with political, social, and moral underpinnings ” (Booklist) that “ may be Saramago ’ s finest work ” (Los Angeles Times), translated from the Portuguese by Giovanni Pontiero

An unassuming family struggles to keep up with the ruthless pace of progress in “ a genuinely brilliant novel ” from a Nobel Prize winner (Chicago Tribune). A Los Angeles Times Best Book of the Year and a New York Times Notable Book Cipriano Algor, an elderly potter, lives with his daughter Marta and her husband Marçal in a small village on the outskirts of The Center, an imposing complex of shops, apartments, and offices. Marçal works there as a security guard, and Cipriano drives him to work each day before delivering his own humble pots and jugs. On one such trip, he is told not to make any more deliveries. People prefer plastic, apparently. Unwilling to give up his craft, Cipriano tries his hand at making ceramic dolls. Astonishingly, The Center places an order for hundreds, and Cipriano and Marta set to work—until the order is cancelled and the penniless trio must move from the village into The Center. When mysterious sounds of digging emerge from beneath their new apartment, Cipriano and Marçal investigate; what they find transforms the family ’ s life. In a novel that is both “ irrepressibly funny ” (The Christian Science Monitor) and a “ triumph ” (The Washington Post Book World), “ The struggle of the individual against bureaucracy and anonymity is one of the great subjects of modern literature, and Saramago is often matched with Kafka as one of its premier exponents. Apt as the comparison is, it doesn ’ t convey the warmth and rueful human dimension of novels like Blindness and All the Names. Those qualities are particularly evident in his latest brilliant, dark allegory, which links the encroaching sterility of modern life to the parable of Plato ’ s cave . . . [a] remarkably generous and eloquent novel. ” —Publishers Weekly Translated from the Portuguese by Margaret Jull Costa
