Indtil for få år siden var maraton-distancen den ultimative udfordring for de fleste motionsløbere. Men i dag er de ca. 42 km blevet noget nær allemandseje – og de mest ambitiøse og eventyrlystne løbere er derfor skiftet til såkaldte ekstremløb, hvoraf de fleste foregår i distancer på 200-500 km i nogle af de mest barske egne af verden. En af de mest flittige og ambitiøse danske ekstremløbere er Jacob Juul Hastrup. I EKSTREMLØBEREN tager han os med til isnende kulde på Sydpolen, stegende varme i flere af verdens ørkener og livsfarlige udfordringer i den sydamerikanske jungle. Det er en levende og nærværende fortælling om store mål, dristige eventyr og fantastiske oplevelser i nogle af verdens smukkeste og mest udfordrende egne. Bogen er rigt illustreret med Jacob Juul Hastrups egne fotos fra sine mange løb på kanten. Jacob Juul Hastrup, født 1970, er selvstændig erhvervsdrivende og passioneret løber. Han har deltaget i ekstremløb på alle verdens kontinenter. Bogen er fortalt til Danni Travn, født 1981, der er uddannet journalist fra Syddansk Universitet. Han arbejder i dag som freelancejournalist.

Written in a no-nonsense style, this valuable guide simplifies the complex and demystifies the mysterious, making Jentry into the world of digital photography as painless as possible. 200 color illustrations.

The Underwater Photographer's Guide clearly and concisely explains the steps required to take professional quality images in any underwater situation. It is useful for users of all types of cameras - Compacts, Micro Four Thirds and DSLRs. Any underwater photographer who wants to progress beyond the stage of using their camera in the Underwater, Program or Auto modes will benefit by reading this book. It provides practical tips on equipment selection, equipment set up and care, photographing underwater wildlife, composition, manual settings, white balance, strobe lighting, choosing the right settings for both macro and wide angle photography, and image editing.

"I didn't care about what would happen. He might win the match, but he could never beat me. I was living my dream, traveling the world with complete freedom. Nothing could put me down. The play button was pressed again. My opponent took my back and I tapped to a bow and arrow choke. I laughed and shook his hand, as I stood back up. I was out of the competition. Everything was perfect. Life couldn't be better." After a training partner commits suicide, Christian Graugart feels obliged to do something with his life. Starting his own gym, dedicating almost all his time to the art of BJJ, alters everything, including the way he sees himself. The Brazilian Jiu Jitsu Globetrotter is not only a story about traveling and training in martial arts. It's about all the things that can happen to you if you choose to truly stay alive until
