Exposition of fourth dimension, concepts of relativity as Flatland characters continue adventures. Topics include curved space time as a higher dimension, special relativity, and shape of space-time. Includes 141 illustrations.

Now available in paperback -- "Bentez's third novel

seamlessly blends fact with imagination, evoking the trauma of war more vividly than any newspaper account . . . beautifully illuminating." (Publishers Weekly starred review) Sandra Bentez received international acclaim for her first two novels: *A Place Where the Sea Remembers* ("A quietly stunning work that leaves soft tracks in the heart" --Washington Post Book World) and *Bitter Grounds* ("The kind of book that fills your dreams for weeks" --Isabel Allende). Now she returns with an unforgettable tale of life in war-torn El Salvador.

In *Make Your Own Rules Diet*, Tara Stiles introduces readers to easy and fun ways to bring yoga, meditation, and healthy food into their lives. As the designer and face of Reebok's first yoga lifestyle line, author of *Yoga Cures* and *Slim, Calm, Sexy Yoga*, and the founder of Strala--the movement-based system that ignites freedom, known for its laid-back and unpretentious vibe--Tara has long been a proponent of creating a tension-free healthy life by tapping into the unique needs of her clients. In this new book, she teaches readers how to apply this inward-looking philosophy to themselves. When people understand what they need for true well-being, they can make their own rules--rules that will help them become their best selves. In her rulebook, it's no pain, much gain. In fact, Tara stresses the importance of practicing with ease--leaving the discomfort and tension behind--because what you practice is what you manifest. Readers will not only learn to create their own rules but also to understand when something isn't working anymore, so they can update their rules as circumstances change. Her approach takes readers from the kitchen, to the mat, to the cushion, in an effort to help them get to know themselves. After leading them through some basic guidelines about how to write their rulebooks, Tara lays out tips, techniques,

and practices, including: - A step-by-step goal setting process so readers can figure out where they want to focus - Six yoga routines specifically designed to up energy levels, curb cravings, drop pounds, and enhance peace - Eight breathing and meditation practices to soothe the soul - 50 simple, delicious, plant-based recipes that can be made in minutes - A 7-day kick-start program and a 30-day transformation plan to launch readers on their healthy, happy, radiant path So join Tara today as she opens readers' eyes to a new way of living well that anyone can do.

The Kingdom of Jimma Abba Jifar, established ca,1830, was the largest and most powerful of five,monarchies formed by the Oromo peoples in,south-western Ethiopia. Based on extensive,fieldwork in the area, this work presents a study,of the history and organisation of Jimma under its,most powerful ruler, Abba Jifar II (1878-1932)stressing the political history and structure of,Jimma with a comparative perspective which notes,similarities and differences in processes and,structures to monarchical systems elsewhere in,Africa and the world.

Outside Lies Magic is a book about the acute observation of ordinary things, about becoming aware in everyday places, about seeing in utterly new ways, about enriching your life unexpectedly. For more than 20 years, John R. Stilgoe has developed and practiced the art of exploring the everyday world around us, where so much lies hidden just beneath the surface, offering uncommon knowledge if we but know what to look for. In this remarkable book, Stilgoe inspires us to become explorers on our own-on foot or on bicycle-and by so doing to reap the benefits of escaping, even temporarily, the traps of our programmed lives. "Exploration encourages creativity, serendipity, invention," he writes.

And while sharing his insights on how to explore, Stilgoe provides a fascinating pocket history of the American landscape, as striking in its originality as it is revealing. Stilgoe dissects our visual surroundings; his observations will transform the way you see everything. Through his eyes, an abandoned railroad line is redolent of history and future promise; front lawns recall our agrarian past; vacant lots hold cathedrals of potential. From the electrical grid overhead to fences, malls, and main streets, Stilgoe offers a fresh understanding of the links and fractures in our society. After reading *Outside Lies Magic*, your world will never look the same again.

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Until Kyrian meets the most frightening thing imaginable. An accountant who's being hunted by one of the most lethal vampires out there. If Amanda Devereaux goes down, so does he and no offense, he doesn't want to die (hence the whole immortality thing). And he doesn't want humanity dead either which is a good thing for us since he and Amanda are all that stands between us and oblivion. Let's hope they win. From the wild imagination of Sherrilyn Kenyon comes the humorous and suspenseful manga debut of the #1 internationally bestselling Dark-Hunter series. The world of manga will never be the same again.

HE CAN'T KEEP HIS HANDS OFF HER... BUT HE CAN'T HAVE HER... When controlling royal vampire Dominic Blackmoore mistakes the wedding planner as his mate, Dom gets sucked into an erotic ride with a curvy woman he can't resist. As the head of the Blackmoore household, Dom needs a suitable mate—a mate with money, power, and clout—and a wedding planner just won't do the trick. Even if she brings his body to life in ways he's never felt before. The connection Felicity and Dom feel for one another trumps all political propaganda. And when one terrible and irreparable lie seals both of their fates, everything they've worked for is threatened. Now, they're both in the race of their lives, and the wedding is off. Buy *Take Me* and see why nearly one million readers have chosen T. A. Grey's romances.

Sri Nisargadatta Maharaj (1897-1981), a revered master of the Tantric Nath lineage, is an inspiring example of an ordinary family man who attained complete realization of the Infinite. His words carry a rare potency that can jolt the listener or reader into a profound sense of awareness, which at the same time signifies true freedom—the freedom from all fear and mental suffering. In this volume, Nisargadatta clearly demonstrates that logic and spirituality do not necessarily stand in opposition to one another. In a chapter after which this book has been titled, Nisargadatta relentlessly pursues a logical argument with the visitor to its very end.
