Motivation - Early & contemporary theories of motivation

ERG Theory of Motivation Clayton Alderfer modified Maslow ' s hierarchy of needs theory of motivation in harmony with experimental research and explained it in his own way. His revised work is known as the ERG theory of motivation. He reclassified Maslow ' s need hierarchy theory into three easier and wider classifications of needs:

Modern Theories of Motivation | HubPages

Maslow ' s need hierarchy theory is a significant contribution to the managerial motivation concept. It is very simple and enables the manager to understand human behaviour at workplace. According to the theory, the manager should consider higher level needs after the lower level needs are satisfied.
