I love Costanzo's Physiology. I used it for organ systems before I did each Zanki Phys deck. I also used the BRS phys as an outline and jotted notes in there from the big book so I could easily review later for Step. If you're using this as a tool to learn the system for the first time, I would say

This book is written by Linda S. Costanzo. BRS physiology pdf is considered one of the best short book of physiology. The reason is that, it saves a lot of your precious time. It is very easy to read and

Acces PDF Costanzo Physiology

understand and is the best book for reviews and revising topics for exams like the USMLE test.

~~Linda S Costanzo Physiology pdf: Read Medical Books~~

Costanzo ' s Physiology This book falls in the category of extensive review book. It is

Acces PDF Costanzo Physiology

more detailed than a review book but less comprehensive than a full textbook.

Interestingly, this book is the work of Linda Costanzo, which is also the author of the only review book to make this list, the BRS physiology review.
