Title: Down the Long Hills (Thorndike Large Print Western Series) Author(s): Louis L'Amour ISBN: 1-4104-0630-X / 978-1-4104-0630-9 (USA edition)

Everyone was dead. Indian raiders massacred the entire wagon train. Only seven-year-old Hardy Collins and three-year-old Betty Sue Powell managed to survive. With a knife, a horse, and the survival lessons his father taught him, Hardy must face the challenges of the open prairie. Using ingenuity and common sense, he builds shelters, searches out water, and forages for food. But as he struggles to keep them alive, he realizes that their survival will depend on his ability to go beyond what his father was able to teach him. Hardy bravely presses on, fighting off the temptation to give up, until a howling blizzard and a pack of hungry wolves force him to make decisions that no seven-year-old boy should ever have to make.

After the massacre Hardy and Betty Sue were left with only a horse and a knife with which to face the long battle against the wilderness. A seven-year-old boy and a three-year-old girl, stranded on the limitless prairie. They were up against starvation, marauding Indians, savage outlaws, and wild animals. They were mighty stubborn, but the odds were against them!and their luck was about to run out. From the Paperback edition.

In Mustang Man, Louis L'Amour takes Nolan Sackett on a dangerous journey into family betrayal, greed, and murder. When Nolan Sackett met Penelope Hume in a cantina at Borregos Plaza, the girl immediately captured his attention. That she was heir to a lost cache of gold didn't make her any less desirable. But Penelope isn't the only one after her grandfather's treasure; Sylvie, Ralph, and Andrew Karnes, distant relatives with no legal claim to the gold, are obsessed with claiming the Hume fortune for themselves. Their all-consuming sense of entitlement recklessly drives them to ambush and murder. Even if Sackett and Penelope are fortunate enough to escape this deadly trio and find the canyon where the gold is hidden, Indian legend has it that nothing will live there!no birds or insects. They say it is filled with the bones of men.

It was a name that caused the most hardened gunmen to break out in a cold sweat. Chick Bowdrie. He could have ridden the outlaw trail, but the Texas Rangers recruited him because they didn't want to have to fight against him. Pursuing the most wanted men in the Southwest he knew all too well the dusty trails, the bitter cattle feuds, the desperate killers and the quiet, weather-beaten, wind-blasted towns that could explode into actions with the wrong word. He had sworn to carry out the law, but there were times when he had to apply justice with his fists and his guns. They called in the Rangers to handle the tough ones and there was never a Ranger tougher or smarter than Bowdrie.

A visionary addition to American literature." --Star Tribune An electric debut novel set against the twilight of the American gold rush, two siblings are on the run in an unforgiving landscape--trying not just to survive but to find a home. Ba dies in the night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate, blending Chinese symbolism and reimagined history with fiercely original language and storytelling, How Much of These Hills Is Gold is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of where immigrants are allowed to belong. But page by page, it's about the memories that bind and divide families, and the yearning for home.

Jim Colburn and his gang convince Gaylord Riley, a young fast gun, to go straight and start his own ranch

Val Darrant was just four years old the snowy night his mother abandoned him. But instead of meeting a lonely death, he met Will Reilly;a gentleman, a gambler, and a worldly, self-taught scholar. For ten years they each were all the family the other had, traveling from dusty American boomtowns to the glittering cities of Belle Epoque Europe!until the day Reilly's luck ran out in a roar of gunfire. But it wasn't a gambling brawl or a pack of thieves that sealed Will's fate. It was a far more complex story that Val would soon uncover!one that would bring him face-to-face with the one person he least wants to see: his mother. With the help of a beautiful, street-smart rancher and the woman who was Will Reilly's lost love, Val must close this last cruel chapter of his past before he can turn the page on an uncertain future.

He left the West at the age of seventeen, leaving behind a rootless past and a bloody trail of violence. In the East he became one of the wealthiest financiers in America!and one of the most feared and hated. Now, suffering from incurable cancer, he has come back to New Mexico to die alone. But when an all-out range war erupts, Flint chooses to help Nancy Kerrigan, a local rancher. A cold-eyed speculator is setting up the land swindle of a lifetime, and Buckdun, a notorious assassin, is there to back his play. Flint alone can help Nancy save her ranch!with his cash, his connections!and his gun. He still has his legendary will to fight. All he needs is time, and that's fast running out!.

A WORD FROM LOUIS L'AMOUR ¶Almost four decades ago, when my fiction was being published exclusively in [pulp] western magazines, I wrote a number of novel-length stories, known back then as [magazine novels.¶] In creating them, I lived with my characters so closely that their lives were still as much a part of me as I was of them long after the issues in which they appeared went out of print. Proud as I was of how I presented the characters and their adventures in the pages of the magazines, I wanted to tell the reader more about my people and why they did what they did. So, over the years, I revised and expanded these magazine works into novels that I published as full-length paperbacks under different titles. ¶These particular early magazine versions of my books have long been a source of considerable speculation and curiosity among many of my readers, so much so of late, that now I've decided to bring four of my [magazine novels] back into print in this latest volume of my short fiction. ¶I hope you enjoy them.¶ FEATURING ¶ Showdown Trail ¶ A Man Called Trent ¶ The Trail to Peach Meadow Canyon ¶ The Rider of the Ruby Hills

"In this second volume, Beau L'Amour examines how his father made the transition from struggling pulp writer to successful novelist and uses his father's notes, journal entries, and correspondence to continue the process of seeking out how and why many of these never-before-seen manuscripts were written as well as speculating about the ways they might have ended"--
