Despite the need for more training of condo association boards, the Florida Legislature continues to find other uses for money from condo fees.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Career success guide for female engineers.

"Originally published in hardcover in the United States by Crown Business, New York, in 2017"--Title page verso.

Professional resume and cover letter writers reveal their inside secrets for creating phenomenal cover letters that get attention and land interviews. Features more than 150 sample cover letters written for all types of job seekers, including the Before-and-After transformations that can make boring letters fabulous.

Civil engineers, mechanical engineers, structural engineers, marine engineers, chemical engineers, systems engineers, and engineering support personnel have a lot in common when they want to create a resume, and this book shows resumes and cover letters of individuals who want to work in the field. For those who seek federal employment, there's a special section showing how to create federal resumes and government applications. Since many technical types aren't writers, this comes as a special gift: select a winning format, plug in your background specs, and away you go. It's that easy--with REAL RESUMES in hand. - The Midwest Book Review1-885288-42-5

For new graduates, the key challenge remains how to secure that first career-related job. Full of guidance and tips on how to handle the complex field of job hunting, Kick Start Your Career can help navigate an ever-changing job market and secure your chance at your desired career. It is a valuable investment in your future. It advises the reader on how to: stand out in job applications; use social media for job searching; create resumes and cover letters that stand out; succeed at interviews. It provides a practical, hands on, step-by-step approach. With an integrated Personal Plan that helps create key job search documents it directs soon-to-be graduates towards achieving their career aspirations. Accompanying online resources include examples and templates, which can be downloaded in Word format to help you prepare resumes and other job search documents. This book will help graduates progressively build up job-hunting resources - skills, achievements, resume, cover letter and interview responses - and turn this into a practical outcome: a new job. It is a key companion to any student or recent graduate exploring the job market.
