presents the core content of the accounting course in a fresh format designed to help today ' s learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem

designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Wild's Managerial Accounting presents the managerial accounting course content using a corporate approach. It features the same student-friendly writing style and learning tools that have enjoyed consistent success with students and instructors using other texts in the Wild series. Also consistent with this series is Managerial Accounting's focus on the "Three C's":
