Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

James Hetfield, Metallica's front man, opens up his garage for an exclusive tour of the highlights of his incredible collection of restored and customized classic cars. Millions know James Hetfield as the front man of Metallica, but the acclaimed singer-songwriter has enjoyed another lifelong passion: restoring and customizing classic cars into magnificent pieces of automotive art. From cars such as the Skyscraper to the Aquarius and the Black Pearl, James Hetfield's collection of beautifully reimagined classic automobiles is truly stunning. For the first time, Hetfield is opening up his garage and inviting readers to dive under the hood of some of these internationally lauded classics. Featuring dynamic, specially commissioned photography of the cars and insight from Hetfield into their creation, this book is a unique opportunity to learn about the Metallica front man's passion for creating bespoke classic cars. James Hetfield's unique cars will be on display at the Petersen Automotive Museum in Los Angeles starting from February 2020.
