Synopsis. Burns & Oates are proud to reissue Ruth Burrows' critically acclaimed work of spiritual theology, "Guidelines for Mystical Prayer". When first published in 1976, spiritual theology as reflection on spiritual experience was a growing trend; but at the same time there was a new interest in, and a return to, the classical Carmelite theology of prayer, with an effort to formulate that theology in contemporary thought categories.

A short but with lovely book for fans of both authors, but also a lot of insight into freedom of speach, creativity and the importance of libraries. Some words to take to heart, some words to live by, some words to get (more) liberated in the pursuit of artistic endeavours. Definitely a good thing to read.

I'm a 90 year old monk-theologian who has had a copy of Guidelines for Mystical Prayer for many years. At the moment I am reading it for the 8th time. It is still fresh, as all classics are. The title is scary, as Burrows admits,but the writing is simplicity itself. No one need be afraid that the book is on raptures, visions and locutions.

**Guidelines for Mystical Prayer- Burrows- Ruth**  
The Mystics know, also, that true prayer is based upon a cosmic and spiritual law. That law is this: "Seek and ye shall find, knock and it shall be opened unto you." The ancient mystical injunction was that you must ask in order to receive, that you must proffer your hand in order to have the token given unto you, that you must express your desire

**MYSTICS AT PRAYER**  
Guidelines for Mystical Prayer embodies both tendencies. It offers a personal narrative, a reflection on the spiritual history of two gifted people, St. Teresa and St. John of the Cross; and yet it speaks clearly out of the Carmelite tradition, and in the language of today.
