Purchase online here or contact our sales team | info@haesemathematics.com.au.

Mathematics: Core Topics HL Worked Solutions Available...

I emailed Haese Mathematics (Haese and Harris Publications as they were known back then), stating that I was interested in working for them. As it happened, their success with the first series of International Baccalaureate books meant that they were looking to hire more people at the time. I consider myself quite lucky!

Worked Solutions Math HL - IBO

About the Book. Year Published: 2018 Page Count: 581 This book gives you fully worked solutions for every question (discussions, investigations and projects excepted) in each chapter of our textbook Mathematics for Australia 11 General Mathematics.. Where applicable, each worked solution is modelled on the relevant worked example in the textbook.

This text is written for the new courses (first examinations 2006), with the book covering the new 2-year diploma course. Contains worked examples, graded questions, with answers. The accompanying CD contains the full text of the book and activities.

Featuring a wealth of digital content, this concept-based Print and Enhanced Online Course Book Pack has been developed in cooperation with the IB to provide the most comprehensive support for the new DP Mathematics: applications and interpretation HL syllabus, for first teaching in September 2019.

This book has been designed specifically to support the student through the IB Diploma Programme in Mathematical Studies. It includes worked examples and numerous opportunities for practice. In addition the book will provide students with features integrated with study and learning approaches, TOK and the IB learner profile. Examples and activities drawn from around the world will encourage students to develop an international perspective.
