Description of the Ideal Triumph 5255 Paper Cutter. For flexibility, precision, and user safety, look to the Triumph 5255 digital paper cutter. As a step up from the 4850 EP, the Triumph 5255 fully automatic programmable paper cutter achieves a maximum cutting length of approximately 20 ½" and maximum cutting height of 3", making it ideal for larger format pieces.

"The signature undertaking of the Twenty-Second Edition was clarifying the QC practices necessary to perform the methods in this manual. Section in Part 1000 were rewritten, and detailed QC sections were added in Parts 2000 through 7000. These changes are a direct and necessary result of the mandate to stay abreast of regulatory requirements and a policy intended to clarify the QC steps considered to be an integral part of each test method. Additional QC steps were added to almost half of the sections."--Pref. p. iv.

The United States Marine Corps is the largest such force on the planet, and yet it is the smallest, most elite section of the U.S. military, one with a long and storied history. Here, in the most current version of the manual used by the Corps itself, is the basic guidebook used by all rifle platoon squad leaders. Discover: . the organization, weapons, capabilities, and limitations of the Marine rifle squad . the squad's role within a platoon and that of the fire teams within the rifle squad . offensive and defensive tactics and techniques . the various patrols squads conduct . numerous charts and illustrations . and much, much more. Military buffs, war-gamers, and anyone seeking to understand how American armed services are being deployed in the ever-changing arena of modern warfare will find this a fascinating and informative document.

This book provides a wide spectrum of readers with comprehensive but easily understandable protocols for the assessment and training of wheelchair skills. The Wheelchair Research Team at Dalhousie University and the Capital District Health Authority in Halifax (lead by the author) have focused on

wheelchair safety and performance for three decades, as exemplified through the Wheelchair Skills Program. This is considered the top such program in the world. This new book is largely based on this program which has been accessed and utilized by over 75,000 people in 177 countries since 2007.
