One key for success for an entrepreneur is to obtain sales (revenue) and profits as quickly as possible upon launching the venture. Entrepreneurial Marketing focuses on this and the essential elements of success in order to achieve these needed sales and revenues and then grow the company. The authors build a comprehensive, state-of-the-art picture of entrepreneurial marketing issues, providing

File Type PDF International Entrepreneurship By Hisrich Edition

major theoretical and empirical evidence that offers a clear, concise view of the field. Through an international approach that combines both theoretical and empirical knowledge on entrepreneurship and marketing, this book informs and enhances an entrepreneurs' creativity, their ability to bring innovations to the market and their willingness to face risk and change the world. Key components addressed include: identifying and selecting the market, determining the consumer needs cost-effectively, executing the basic elements of the marketing mix (product, price,

File Type PDF International Entrepreneurship By Hisrich Edition

distribution, and promotion) and competing successfully in the domestic and global markets by implementing a sound marketing plan. Numerous illustrative examples bring the content to life. The mix of theoretical content, examples, empirical analyses and case studies, make this book an excellent resource for students, professors, researchers, practitioners, and policymakers all over the world.
