An obvious choice for a paper and pencil work is focusing on value and shading. I LOVE shading and my students always respond to it with excitement. Kids understand that knowing how to shade will make your drawings look awesome. Nothing elevates a drawing like adding some value. I tackled many of the tasks described above with this in mind.

Use a darker grade (B or 2B) of pencil for your shading. Lighter grades (H, 2H etc.) will not give enough depth to your darkest tones. Just start by shading the area you wish to be dark and slowly build up the tone. As you work towards the light, gradually ease the pressure on your pencil until you can no longer see the mark it makes.
