Lexus is a division of Toyota, which produces luxury models for the US and European markets (naturally, with the left rudder). The very word lexus in its sound is similar to the word "lux". It is this word and its derivatives - "luxury", "luxury car" and so on - describes the entire history of the company. This is not surprising, because the original purpose of creating the company Lexus and ...

Does anyone have a wiring diagram for the Mk 3 LS400? The tail lights have stopped working on my 1997 car. Both the bulbs are OK and light up when removed from the car and tested. When the light switch is turned on there is a live feed to the tail light fuse in the small fuse box with the white plastic cover above the driver's footwell.
