This would also be known as Renaissance or Renaissance humanism. It is the genesis of the word ' modern ' . One has often believed that literary criticism has existed since the time of the classics—which is true—but literary criticism as an independent entity came into being during the early modern period. Ad.

~~Early Modern Literary Criticism—An Introduction ...~~

Literary criticism (or literary studies) is the study, evaluation, and interpretation of literature. Modern literary criticism is often influenced by literary theory, which is the philosophical discussion of literature's goals and methods. Though the two activities are closely related, literary critics are not always, and have not always been, theorists.

Literary criticism – Wikipedia

October 4, 2016. by Hasa. 4 min read.

Literary criticism can be defined as the study, evaluation, and interpretation of literature. In general, a literary criticism answers two main questions: what was good or bad about the work and why that particular aspect is bad or good. A literary criticism is similar to a literary analysis in the sense that it analyses different aspects of the text and brings them together to evaluate whether the author has been successful in achieving his purpose.

Introduction. A very basic way of thinking about literary theory is that these ideas act as different lenses critics use to view and talk about art, literature, and even culture. These different lenses allow critics to consider works of art based on certain assumptions within that school of theory. The different lenses also allow critics to focus on particular aspects of a work they consider important.
