Master the process of management with the skills-based, functional approach in Griffin ' s FUNDAMENTALS OF MANAGEMENT, 10E. Timely content focuses on active planning, leading, organizing and controlling as you examine emerging management topics. New discussions explore the impact of technology, the importance of a green business environment, the need to adapt in changing times, ethical challenges and the role of diversity. This is one of the first management books to examine the impact of the COVID-19 pandemic and its resulting economic turmoil. New cases and updated learning features support an effective balance of classic theory and contemporary practice. Hundreds of contemporary examples highlight organizations such as Starbucks, Hilton Hotels and Quicken Loans. New MindTap digital resources further guide you in thinking and acting like a successful manager with learning, application and study modules for each chapter. Immediate feedback and links to the printed book also help you prepare for exams.

Introduce your students to management using the classic theory, current research, student-friendly presentation, and memorable examples in Griffin ' s MANAGEMENT -- the book that has already helped almost two million students prepare for successful business careers. This powerful, leading text combines traditional management coverage with well-known, careful examination of today ' s emerging management topics. The new 10th edition of MANAGEMENT now examines the latest on organizational justice and negotiation as well as the impact of the 2008-2009 economic recession and global warming on business. The book ' s well-organized, inviting approach organized around the functions of management helps students strengthen their management skills with an effective balance of theory and practice as well as numerous proven learning features. Students continue to study the growing service sector, ethics, global management and the impact of technology on management as they examine challenges today ' s managers face. Hundreds of well-researched popular examples -- from large establishments, such as Coca-Cola, to emerging companies such as Google and Facebook -- bring concepts to life. Examples from smaller companies and non-profit organizations underscore the author ' s philosophy that strong management is critical to the success of any type of organization. Business Essentials continues to provide a solid foundation of the essential topics in business. Its focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business--and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. MyBizLab for Business Essentials is a total learning package. MyBizLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams--resulting in better performance in the course--and provides educators a dynamic set of tools for gauging individual and class progress. This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning with MyBizLab: Inspire the exchange of new ideas and foster intriguing discussions with the abundant resources found in MyBizLab. Real World Business Practices Focus: An abundance of the latest real world business developments and examples provide clear illustrations of business concepts and current dilemmas, and every chapter shows how basic practices apply not only in business upswings, but also during economically challenging times as well. Help Students Review and Apply Concepts: Examples and exercises allow students to see how entrepreneurs are putting into practice the concepts that they are learning. Keep Your Course Current and Relevant: New examples, research findings, and examples appear throughout the text. Note: You are purchasing a standalone product; MyBizLab does not come packaged with this content. If you would like to purchase both the physical text and MyBizLab search for ISBN-10: 0133771555/ISBN-13: 9780133771558. That package includes ISBN-10: 0133454428/ISBN-13: 9780133454420 and ISBN-10: 0133456358/ISBN-13: 9780133456356. MyBizLab is not a self-paced technology and should only be purchased when required by an instructor.

Introduce today's students to management and highlight the power of innovation in the workplace with Griffin's MANAGEMENT, 11E. This dynamic book, known for its cutting edge research and memorable examples, takes a functional approach to the process of management with a focus on active planning, leading, organizing and controlling. This book's exceptionally reader-friendly approach examines today's emerging management topics, from the impact of technology and importance of a green business environment to ethical challenges and the need to adapt in changing times. This latest edition builds on proven success to help your students strengthen their management skills with an effective balance of theory and practice. Numerous new and popular cases and learning features highlight the challenges facing today's managers. Includes chapter notes, photo credits, name index

Management is a student-friendly text that incorporates solid management practices. With its accessible writing style, this tenth Canadian edition shows how management concepts are applied to students' everyday lives in an integrated way. Management distinguishes itself from other books by its strong coverage of small business and entrepreneurial ventures, as well as great visual delivery of material through effective application of charts, diagrams, and tables.

The widespread popularity of this mid-to-high-level textbook (for both undergraduate and graduate students) lies in the author's straightforward writing, well-researched examples, and thorough coverage of issues. Griffin presents students with a functional approach to management (planning, leading, organizing, and controlling), and integrates real-world examples throughout the text to help them fully appreciate the role and scope of management in contemporary business.
