Aimed at 14- to 16-year-olds, this toolkit is the only resource designed to accompany students through the key processes of the Citizenship Studies curriculum: critical thinking and enquiry, advocacy and representation and taking informed and responsible action. Through the use of games and activities, all presented in a visually stimulating design, students will improve their confidence and social skills and produce meaningful results.

Finally back in Zhakieva with her demon-siblings in tow, Darkrow Katerini wants only to spend the rest of Lonely Winter resting in the capital. Instead, however, the Blue Emperor sends her on an insane mission: climb the formidable Svarinard mountain range in the height of Lonely Winter and bring back the missing Darkrow of Zhakieva. As if circumstances weren't bad enough, Katerini is partnered with the Blue Emperor's heir, the strange and infuriating Darkrow Nikolai, who seems more interested in spinning away his magic recklessly than in the actual mission.

With his animated tales of Zane Grey, Butch Cassidy, and the Robbers Roost gang, Rider creates an engaging and believable picture of the joys and hardships of cowboy life.
