As mentioned above, this pacing guide is aligned to the 5th grade common core math standards. The guide includes the math skill with the common core standard with which the skill correlates. In addition to the time frame and sequence of skills, I also included my rationale and reasons for teaching the skill at that point in the year (or my reasons for teaching that skill before or after other math skills).

Pacing Guides – Columbia School District

The Franklin Special School District uses Pacing Guides as a tool for teachers to help plan instruction throughout the course of a school year, ensuring that students across the district receive instruction on the Tennessee Academic Standards at approximately the same time. The guides are designed to align curriculum, instruction, and assessment in the content areas of English/Language Arts, Math, Science and Social Studies.

RCPS - Math Pacing Guides

The Pacing Guide is divided according to the four marking periods and groups the curriculum content in order to allow sufficient time to meet all objectives in a timely manner. The Pacing Guide also is textbook-specific and identifies both the objectives and resources needed to teach the entire curriculum.

Pacing Guides - Prince William County Public Schools

Pacing Guide for 8th Grade Math. The eighth-grade math curriculum was designed to be implemented over the course of a single school year. It includes eight units of study over 143 instructional days (including days for lessons, flex days, and unit assessments). We intentionally did not account for all 180 instructional days in order for teachers to fit in additional review or extension, teacher-created assessments, and school-based events.
