### Newspaper Blackout Free

This site is a companion to the book, *Newspaper Blackout*, a collection of poems made by redacting newspapers with a permanent marker. The book contains my original poems, a 250-year-old history of finding poetry in the newspaper, and a “How-To” section to get readers started making their own poems. Here’s what some folks have said about it: “Instead of starting with a blank page, poet ...

brilliant work – and they will work for you, too. *Make Brilliant Work* is the essential book from Rod Judkins, author of the international bestseller *The Art of Creative Thinking*. Whether you are a business or an individual, you might find it hard to produce something significant and important. The real-life heroes in this book will show you how to make the transformation from ordinary to extraordinary. From Roald Dahl to Steven Spielberg, and star architect Zaha Hadid: the figures in *Make Brilliant Work* will show you how to think for yourself, take risks and persevere to create brilliant work.

A chapbook collection of JM Scott's recent poems. Many of these poems were written between 2015-2017. There is a wide variety of poems found in this book including a digital white out poem, a

concrete poem, found poems, surrealism poems, free verse poems and language poems. Poems include: Tryptophantasia, Blackberries in Ice, Dirt, Wishing for Whispers, Evangelism and Pepsi Stupors, Horse Drunk, and more.

In his New York Times bestseller *Steal Like an Artist*, Austin Kleon showed readers how to unlock their creativity by “stealing” from the community of other movers and shakers. Now, in an even more forward-thinking and necessary book, he shows how to take that critical next step on a creative journey—getting known. *Show Your Work!* is about why generosity trumps genius. It’s about getting findable, about using the network instead of wasting time “networking.” It’s not self-promotion, it’s self-discovery—let others into your process, then let them steal from you. Filled with

## Read Free Newspaper Blackout Free

illustrations, quotes, stories, and examples, *Show Your Work!* offers ten transformative rules for being open, generous, brave, productive. In chapters such as *You Don't Have to Be a Genius*; *Share Something Small Every Day*; and *Stick Around*, Kleon creates a user's manual for embracing the communal nature of creativity— what he calls the “ecology of talent.” From broader life lessons about work (you can't find your voice if you don't use it) to the etiquette of sharing—and the dangers of oversharing—to the practicalities of Internet life (build a good domain name; give credit when credit is due), it's an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age.

**NEW YORK TIMES BESTSELLER** It's time for a black exit. Political activist and social media star Candace Owens addresses

## Read Free Newspaper Blackout Free

the many ways that Democrat Party policies hurt, rather than help, the African American community, and why she and many others are turning right. Black Americans have long been shackled to the Democrats. Seeing no viable alternative, they have watched liberal politicians take the black vote for granted without pledging anything in return. In *Blackout*, Owens argues that this automatic allegiance is both illogical and unearned. She contends that the Democrat Party has a long history of racism and exposes the ideals that hinder the black community's ability to rise above poverty, live independent and successful lives, and be an active part of the American Dream. Instead, Owens offers up a different ideology by issuing a challenge: It's time for a major black exodus. From dependency, from victimhood, from miseducation—and the Democrat Party, which perpetuates all three. Owens explains that

## Read Free Newspaper Blackout Free

government assistance is a double-edged sword, that the Left dismisses the faith so important to the black community, that Democrat permissiveness toward abortion disproportionately affects black babies, that the #MeToo movement hurts black men, and much more. Weaving in her personal story, which ushered her from a roach-infested low-income apartment to 1600 Pennsylvania Avenue, she demonstrates how she overcame her setbacks and challenges despite the cultural expectation that she should embrace a victim mentality. Well-researched and intelligently argued, *Blackout* lays bare the myth that all black people should vote Democrat—and shows why turning to the right will leave them happier, more successful, and more self-sufficient.

Poetry. Literary Nonfiction. Over the last three years, Atlanta-based
