Kita Nekai, on the run and the smallest of her shifter clan--a calico cat among lions and tigers--is being hunted. She was expected to accept her role as her father's successor whether or not her cat was up to the task of leading the clan. She disagreed. Now she's less than a step ahead of the hunters, bone-tired, cold, and living hand-to-mouth in the city of Haven. And that's the high point of her day. She's also drugged, "accidentally" turned into a vampire, and sentenced to death for recklessly creating a rogue shifter who tortures its human prey. She's got seventy-two hours to find the rogue, evade a city full of hunters, prove she's not responsible for the rogue, and keep the vampire council from killing her. All while sorting out an apprentice mage, a married ex-boyfriend shifter-hunter, and the vampire who made her.

Newly undead shifter-turned-vampire Kita Nekai is coming to grips with the reality that her cat has not awakened since her change. What she needs is a little time to adjust to her new liquid diet and the increasingly complex attraction to her sire, Nathaniel. What she gets is a headless harlequin. With the body count rising, Kita is dragged into a dangerous game of vampire politics. Her involvement draws the attention of an ancient vampire known as the Collector who has a penchant for acquiring the unusual - like a pureblood shifter-turned vampire. Kita still has unfinished business of her own and finds herself deeper in magical debt. It's a bad time to be a kitten who can't slip her skin.

As India starts to prosper, the residents of Annawadi are electric with hope. Abdul, an enterprising teenager, sees "a fortune beyond counting" in the recyclable garbage that richer people throw away. Meanwhile Asha, a woman of formidable ambition, has identified a shadier route to the middle class. With a little luck, her beautiful daughter, Annawadi's "most-everything girl," might become its first female college graduate. And even the poorest children, like the young thief Kalu, feel themselves inching closer to their dreams. But then Abdul is falsely accused in a shocking tragedy; terror and global recession rock the city; and suppressed tensions over religion, caste, sex, power, and economic envy turn brutal.
