Each morning when he wakes, Stephen Bernard must literally reconstruct his self: every night he writes himself a letter to be read the next day. The fractured, intensely personal narrative of Paper Cuts follows a single day in his life as he navigates a course through the effects of mania, medication and memories. The result is painful, unique and inspiring.

Paper Cuts: A Memoir: Amazon.co.uk: Bernard, Stephen...

A dazzlingly original memoir, Paper Cuts takes us inside the mind of a young Oxford academic devastated by severe mental illness. ' I have a small line of red dots on the back of my left hand, where the needle goes in. I have had hundreds of ketamine injections, more than anyone else, perhaps. The needle goes in, and the truth comes out.

Paper Cuts: A Memoir - Stephen Bernard - Raamat | Krisostomus

The paper cuts were not only meant to be a pleasure for the eye but also a challenge to the mind. Often there was a hidden meaning in the paper cuttings - in the same way, as we know it from the fairy tales: on the surface it could amuse, in the depth it would amaze. Some of the paper cuts are purely picture puzzle or rebus others are icons combined to represent a linguistic symbol. The double meaning hidden in the paper cuts demonstrates the way of thinking of the fairy tale author.

Hans Christian Andersen Papercuts - Odense City Museums

In 2018, he published Paper Cuts, a memoir (London: Jonathan Cape, 2018), which revealed that he had been the victim of sustained serial, clerical sexual abuse as a child, which had caused him severe mental illness which was treated with experimental ketamine infusions.
