It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

The main theme of this publication is a reminder that without a coherent national information technology policy which resonates clearly with national development objectives, and without a full understanding of the national, cultural and organisation context, a less than full return will be obtained for the investment of scarce resources.
