Sight words are common words that appear again and again in your children's reading material.

Knowing these words by sight is essential for reading fluency.

Bob Books Sight Words - First Grade gradually adds more complexity as your beginning reader acquires 30 new sight words. It is a great companion book to Bob Books Sight Words - Kindergarten. Consistent short vowels in one syllable words of three, four or five letters, mean children can sound out (decode) the story. They learn three new sight words per book. While words and stories in Sight Words First Grade are slightly longer and more
