admissions to the physical examination, symptoms and illnesses, diagnosis, treatment, instructions to the patient, discharge, and follow-up. Chapters are devoted to the major branches of medicine as well as dentistry and to the corresponding bodily systems. There are also chapters on anatomy, infection and disease, and visits to the pharmacy. Each chapter follows a natural progression designed to help the learner comprehend the new material and acquire the language as effortlessly as possible. Each includes: basic Japanese vocabulary, a situational dialogue, Japanese grammar points and key Japanese language and culture notes, exercises and practice drills, and a quiz to sharpen comprehension. The culture and language notes seek to help the provider understand better a Japanese patient's cultural
