Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.

In this novel, Ogola tells of the lives of AIDS' orphans Lisa, Johnny and Alicia, and how they are guided to adulthood by their aunt Wandia, an intellectual and independent woman. The author weaves her narrative around the aspirations of her characters and how they develop to find a place in Luo/Kenyan society.
