Yeshua (Jesus) is our Lord and Savior, His words come with promises, this sets the gospels apart from other books of the New Testament. We need to ask ourselves if we receive any of the promises without Christ's words in us. I pray you have time for One Chapter a Day. The red letter is because most New Testament Bibles have Yeshua's (Jesus') words in red.

In today's political environment, who speaks for whom is not always clear. Over the past couple of decades, evangelical Christians have tended to be associated with the religious right and the most conservative positions of the Republican Party. Rebelling against this designation are those who prefer to be called Red Letter Christians, desiring to live out Jesus's words in the New Testament. Believing that Jesus is neither a Republican nor a Democrat, Red Letter Christians want to jumpstart a religious movement that will transcend partisan politics and concentrate on issues such as fighting poverty, caring for the environment, advancing peace, promoting strong families, and supporting a consistent ethic of life, all viewed as critical moral and biblical values. Into this arena of thought steps Tony Campolo, the powerful evangelist known for his passionate and prophetic sharing of the radical message of Jesus. In this book, Campolo examines many of the hot-button issues facing evangelicals from the perspective of Jesus's red-letter words in the Bible. No matter where you fall on the political spectrum, Campolo will make you think, pray, and act.

For all the Christians facing conflict between Jesus's words and their own lives, for all the non-Christians who feel they rarely see Jesus's commands reflected in the choices of his followers, Red Letter Revolution is a blueprint for a new kind of Christianity, one consciously centered on the words of Jesus, the Bible's red letters. Framed as a captivating dialogue between Shane Claiborne, a progressive young evangelical, and Tony Campolo, a seasoned pastor and professor of sociology, Red Letter Revolution is a life-altering manifesto for skeptics and Christians alike. It is a call to a lifestyle that considers first and foremost Jesus's explicit, liberating message of sacrificial love. Shane and Tony candidly bring the words of Jesus to bear on contemporary issues of violence, community, Islam, hell, sexuality, civil disobedience, and twenty other critical topics for people of faith and conscience today. The resulting conversations reveal the striking truth that Christians guided unequivocally by the words of Jesus will frequently reach conclusions utterly contrary to those of mainstream evangelical Christianity. If the Jesus who speaks to you through the Gospels is at odds with the Christian culture you know, if you have ever wanted to stand up and say, "I love Jesus, but that's not me," Red Letter Revolution will prove that you are not alone—you may have been a Red Letter Christian all along. Endorsements: "This book, by a young and an elderly Christian, will help you decide how we Christians could change the world if we took the red letter words of Jesus literally and seriously." —President Jimmy Carter "In Red Letter Revolution the uncompromised truth of Jesus' teachings are given voice by two modern-day Christian leaders who do more than preach this Good News. They walk the talk and lead the way." —Archbishop Desmond Tutu "I started reading this book and couldn't stop. . . . Thank you, Tony and Shane. Thank you for this book. May the movement spread around the world." —Abuna Elias Chacour, Melkite Catholic Archbishop of Galilee "Red Letter Revolution is an adrenaline-producing conversation with prophetic bite." —Eugene H. Peterson, author of The Message Bible "I cannot over-emphasize or exaggerate the richness of this book." —Phyllis Tickle, author of Emergence Christianity "In this courageous and well-crafted book, we have a return to the core message of the Gospel from two Christians who first tried to live it themselves—and only then spoke." —Fr. Richard Rohr, O.F.M., Center for Action and Contemplation "Shane Claiborne and Tony Campolo are two of the most significant prophetic voices in the Christian world." —Rabbi Michael Lerner, editor of Tikkun Magazine (tikkun.org) "This is a must-read book for anyone who is seeking to take Jesus's call on their lives seriously." —Jim Wallis, founder and editor of Sojourners magazine "If you ever wished you could eavesdrop on a conversation with two of the world's most interesting and inspiring Christians, just turn to page one." —Brian D. McLaren, author/speaker (brianmclaren.net)
