Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from www.HaveTheRelationshipYouWant.com (if not - go get them now... ) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you...Love, Lori

Are you the pursuer or do you let men pursue YOU? The answer is the difference between you becoming a side toy for a man to play with or a girlfriend with a title and eventually a woman who any man would be eager to call his wife. Many of us modern 21st century women have been taught that in order to get a guy we have to go out there and snag him, trick him, tag him and drag him home. But that doesn't work -- at least not in the long run. Men are natural hunters. They won't always admit it, but they absolutely LOVE the chase. They want a woman who is interesting, confident and vocal. They want a woman who sets boundaries and keeps them on their toes. They want to earn a woman's love. This simple, easy-to-follow guide explains how you can shake off meaningless flings with men and start to attract men who are serious about you. What You'll Learn: \* How to avoid Friends with Benefits and Booty Calls \* How to recognize when a man is just toying with you \* Why men love bad girls and strippers \* The single most irresistible thing about a woman \* What makes a man fall in love. I mean head over heels for you Love Lynn
