With younger protagonists and terse pacing, Winslow makes Savages into a smooth and intense read, laced with a laconic humour and a slightly ironic, campy pace that makes the inevitable scenes of violence all the more visceral.

? Don Winslow, Savages "We reinvented ourselves every day, remade our culture, locked ourselves in gated communities, we ate healthy food, we gave up smoking, we lifted our faces while avoiding the sun, we had our skin peeled, our lines removed, our fat sucked away like our unwanted babies, we defied aging and death.

Don Winslow's Savages instantly became one of my favorite crime novels, and I was a little worried about him doing another one that takes place before it.
