Combining Chinese Taoist astrology, Western zodiac astrology, and birth destiny cards to develop your innate talents and transform your negative traits □ Includes charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card as well as those of your friends, lovers, relatives, and colleagues □ Provides insightful and accurate descriptions for each animal year, zodiac sun sign, and birth card as well as each year and sun sign combination and each sun and moon sign combination □ Offers career suggestions based on your innate gifts and relationship advice on which animals, sign combos, and birth cards to seek out and which to avoid With your first breath of life, you take in the energy pattern radiated by the sun, moon, and stars at that moment in time and space. This internal energy pattern underlies your persona--your behavioral patterns, personality traits, and life's path. Understanding these underlying patterns enables you to balance and transform your negative traits and highlight and develop your innate talents. Blending Eastern and Western astrological methods, Master Mantak Chia and William Wei explain how to identify the five key patterns of your internal energy persona based on the year, month, and day of your birth. Including charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card, they explore how each of these astrological profiles interact to build your unique persona and provide profoundly accurate descriptions for each year and sun sign combination, each sun and moon sign combination, and each birth card. Each description also includes career recommendations to best utilize your innate gifts and relationship advice on which animals, sign combinations, and birth cards to seek out and which to avoid. Not only useful for personal insight and self-development, this new astrological approach can also be used to understand the underlying energetic personality patterns of your lovers, friends, relatives, and colleagues.

Marian called it Roxaboxen. (She always knew the name of everything.) There across the road, it looked like any rocky hill -- nothing but sand and rocks, some old wooden boxes, cactus and greasewood and thorny ocotillo -- but it was a special place: a sparkling world of jeweled homes, streets edged with the whitest stones, and two ice cream shops. Come with us there, where all you need to gallop fast and free is a long stick and a soaring imagination. In glowing desert hues, artist Barbara Cooney has caught the magic of Alice McLerran's treasured land of Roxaboxen -- a place that really was, and, once you've been there, always is.

"Oh, those naughty rakes. With their wicked winks, sensual smiles, and bad boy habits, you just can't take them out in polite society. But who wants to go out when you can stay in. . .? Stolen Pleasures Sebastian Blake, Earl of Merrick, long ago fled the responsibilities of his title to become the infamous pirate, Captain Phoenix. But the booty he's just captured on a merchant ship is a fierce tempered minx who claims to

be a bride. . .his bride, married to him by proxy on behest of their fathers. He could shame his hated family and return his beautiful wife untouched, but no treasure has ever proved more tempting to Sebastian, and making their marriage a true one--in every sense--is his one urgent desire . . . Lucien's Gamble Lucien Remington's reputation as a debauched libertine who plays by no one's rules--in business or the bedroom--is well deserved. He gets what he wants, social repudiation be damned. But society can keep from him the one thing he truly desires, the untouchable Lady Julienne La Coeur. Until she sneaks into his club dressed as a man and searching for her irresponsible brother. Suddenly she's in Lucien's grasp, his to take, and his mind is filled with the most wickedly sinful thoughts. A gentleman would walk away from the temptation she presents. But then, Lucien has never claimed to be a gentleman. . . Her Mad Grace Hugh La Coeur never wanted to be the Earl of Montrose. Wine, women, and a hefty wager are preferable to responsibility of any kind. It's certainly preferable to spending the night in an eerie, neglected mansion owned by a legendary madwoman. The duchess's companion, the fiercely independent Charlotte, is another matter altogether. Hugh would be happy to spend as many nights in her bed as possible. He knows she's hiding terrible secrets, but for once in his life, Hugh has the desire to take on someone else's burden as his own, no matter what the danger. . . They're mad, bad, and totally irresistible. . .

The price on their heads: almost \$20 million each. ONE HERO Among the names on the target list, one stands out. An enigmatic Marine named Shane Schofield, call-sign: SCARECROW. NO LIMITS And so Schofield is plunged into a headlong race around the world, pursued by a fearsome collection of international bounty hunters--including the 'Black Knight', a notoriously ruthless hunter who seems intent on eliminating only Schofield. The race is on and the pace is frantic as Schofield fights for survival, in the process unveiling a vast international conspiracy and the terrible reason why he cannot, under any circumstances, be allowed to live! He led his men into hell in Ice Station. He protected the President against all odds in Area 7. This time it's different. Because this time Scarecrow is the target. Scarecrow is the third book in the Shane Schofield series. With new exotic locations and weaponry, plus a returning cast of old friends from the battlefield, Scarecrow is set to take the action/adventure world by storm, and leave readers gasping for air. Toni Davidson's Scar Culture is a hugely acclaimed debut dealing with the controversial subjects of incest, child abuse and psychosexual healing. It appears destined to follow in the tradition of One Flew over the Cuckoo's Nest and The Dice Man as fiction that challenges the way we think about psychotherapy and dysfunctional sexuality. Shocking, thought-provoking, erotic, beautifully written, sharp-witted, and always riveting, Scar Culture marks the arrival of an extraordinary new voice.
