The Book of Evidence is a 1989 novel by John Banville. The book is narrated by Freddie Montgomery, a 38-year-old scientist, who murders a servant girl during an attempt to steal a painting from a neighbour. Freddie is an aimless drifter, and though he is a perceptive observer of himself and his surroundings, he is largely amoral. Many of the characters in The Book of Evidence appear in the 1993 sequel Ghosts.

The Book of Evidence - Wikipedia

John Banville's Book of Evidence is a disturbing short novel about Freddie Montgomery, a man who has committed murder. This is his account of his life and what led him to kill. Needless to say, it is disturbing. Freddie rambles, filling his audience in on his life in bits and pieces, going back and forth in time without taking a break.

The Book of Evidence by John Banville - Goodreads

First-person narrated by the very self-absorbed (and probably psychopathic) Freddie, John Banville's 1989 Booker Prize shortlisted 'The Book of Evidence' pulls the reader into Freddie's world, and what a very unsettling place Freddie's world is.

The Book of Evidence is the first-person prison testimony of Freddie Montgomery - convicted for the ghastly and seemingly motiveless kidnap and murder of a young woman. Trying to make sense of the crime that destroys life - and the career of the friend who unwittingly harbours him - Freddie ' s monologue is also an attempt to come to terms with forty years of aimless drifting and dissolution, and to find some glimpse of order in an apparently random world.

The Book of Evidence | The Booker Prizes

In The Book of Evidence the unreliable testimony of Freddie Montgomery elicits a subtext on the inevitable madness of the colonizer trapped in an anachronistic identity of superiority in a post-colonial environment. This argument offers two ways of interpreting the madness of the outdated superior colonizer as depicted by Banville.
