The End of Solution Sales - Harvard Business Review

Solution Sellers are no longer needed as the middle man to help package solutions and solve problems for executives, as Product Sellers and Accelerator Sellers are already providing the services that Solution Sellers used to own. Many large tech companies have recognized that this is the end of Solution Selling, and are adapting to this new reality.

The end of solution selling - Advantage Performance Group

The End of Solution Selling. Specialization within sales organizations has increased, and continues to do so today. What we've come to realize is that the style of the sale has changed as roles have specialized. E-commerce and sales reps who do high volume, high velocity transactional sales over email and the phone to predominately connect buyers to products fast (the much maligned "product sellers") have gained ground.

The End of Solution Selling - BTS

In 2012, Harvard Business Review published a bold article entitled "The End of Solution Sales". It declared that solution selling had become obsolete. The verdict was, in large part, founded on the...

Insight Selling Is The New Solution Selling

The answer is to quit selling your solution as you would sell any other product and start selling like a "business advisor," a job that requires the diagnostic skills of a doctor. You must help customers unearth and comprehend their most compelling problems.

The End of Solution-Based Selling | The CEO Refresher

The answer is to quit selling your solution as you would sell any other product and start selling like a "business advisor," a job that requires the diagnostic skills of a doctor. You must help customers unearth and comprehend their most compelling problems.

Sales - The End of Solution-Based Selling : MarketingProfs ...

In the end, the main difference between solution selling and consultative selling is that solution selling at its core would focus more on selling the solution to your prospect's problem instead of selling the product itself, while consultative selling incorporates selling the solution it tends to focus more on the questions and "consulting" before suggesting a "solution".

Solution Selling - The Four Essential Steps of the ...

In the latest issue of the Harvard Business Review, the folks at the Conference Board have declared "The End Of Solutions Sales." Upon reading this, I immediately thought of Mark Twain's quote, "Rumors of my death are greatly exaggerated." While, I suppose, it stirs up the pot to declare the end of Solutions Selling and may sell more workshops or consulting services, in the end I think it is wordsmithing and positioning.

"The End Of Solutions Sales" | Partners in EXCELLENCE Blog ...

Solution selling is the process of selling the customer a solution to their problems as opposed to a product or service. The term is associated with the sales of products and services that can be used as the building blocks of a custom implementation. Solution selling is common in areas such as construction services, software and outsourcing sales.

The 7 Stages of the Solution Selling Process - Simplicable

Adopting the solution selling process for your business won't require an entire overhaul. You can easily reframe your sales pitch to focus less on what your product does and more on how it can solve or alleviate an issue. Just think of yourself as less of a salesperson and more of a consultant. Use Lucidchart to ease the transition to solution selling.

The End of Solution Sales - Transforming Sales and Marketing

It is the end of traditional solution selling. Customers are increasingly circumventing reps; they're using publicly available information to diagnose their own needs and turning to sophisticated procurement departments and third-party purchasing consultants to help them extract the best possible deals from suppliers.

The end of solution sales - Vlerick Business School

Solution selling is a type and style of sales and selling methodology. Solution selling has a salesperson or sales team use a sales process that is a problem-led (rather than product-led) approach to determine if and how a change in a product could bring specific improvements that are desired by the customer. The term "solution" implies that the proposed new product produces improved outcomes and successfully resolves the customer problem.

Solution selling - Wikipedia

In recent years, solution selling has come in for some criticism. A 2012 Harvard Business Review article, for example, declared "The End of Solution Sales," noting that companies, equipped with sophisticated procurement teams, "can readily define solutions for themselves."
