This book was the first i had read from Jason Myers, then I realized all of his books are the same.. drugs, sex, lies, scandal. It was entertaining, although some parts were so forced that it was obnoxious to read. Also, I feel like this book in particular tends to get lost in the details.

Amazon.com: Customer reviews:
The Mission
Myers' prose was a little
minimalist for my usual taste, but I
thought it actually served the story
well. It was a harsh, gritty book
not fit for the squeamish that
offered a stark look at the world of
an addict and the consequences of
being a part of that world.

Jason Myers Quotes (Author of Exit Here.)
Jason Myers is a pretty good author. Although this story is like super dark, its a good story, "the mission" was my favorite by Jason Myers. But its still a great book, and I can't wait to read his next one.
