economist, daring to talk openly about the likely pitfalls of European monetary union.

~~The Rotten Heart of Europe eBook by Bernard Connolly ...~~

Aiming to destroy illusions about what lies at the heart of Europe, this book provides answers to questions about European monetary union. The author, who is head of the Commission unit responsible for monitoring and servicing the ERM, offers a portrait of the motives of many Euro-propagandists.

Money

~~The Rotten Heart of Europe on Apple Books~~

We now have a vivid inside account of these events in Bernard Connolly's book *The Rotten Heart of Europe*. The coarseness of its title and cover are misleading: signs more of self-conscious encanaillement on the part of smart publishing than of authorial quality. The book suffers from an occasional lapse of taste, and a liking for melodrama.
