The Western Lands is a 1987 novel by William S. Burroughs. The final book of the trilogy that begins with Cities of the Red Night and continues with The Place of Dead Roads, its title refers to the western bank of the Nile River, which in Egyptian mythology is the Land of the Dead. Inspired by the Egyptian Book of the Dead, Burroughs explores the after-death state by means of dream scenarios, hallucinatory passages, talismanic magic, occultism, superstition, and his characteristic view of the na

The Western Lands - Wikipedia

The Western Lands is the eagerly awaited new novel by the most visionary American novelist of the twentieth century—a haunting Book of the Dead for the nuclear age. Every new work from the pen of William S. Burroughs is an important literary event. This is especially so in the case of The Western Lands. For in this novel, Burroughs completes a trilogy that began with Cities.
