The book features sample sentences to demonstrate verb usage in context, as well as a grammar review. This indispensable guide will help you conjugate verbs with ease, enabling you to communicate in Swedish with confidence.

DIVLogical, developmental presentation includes all the necessary tools for speech and comprehension and features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher. /div

This compact volume offers an integrated guide to the major grammatical concepts needed for writing and speaking Swedish.

Intermediate Swedish: A Grammar and Workbook combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include: • clear grammatical explanations with examples in Swedish and English • vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance • cross-references to other units • over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be used by intermediate students and those who have grasped the basics of grammar and vocabulary.

This grammar-reader is based on almost twenty years' experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar-readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference; and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises (including translation exercises) are set for practice. The central theme of the texts is Stockholm, and attractive drawings illustrate it. To help the student, there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book, the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.

Fluo's Swedish Verb Conjugator is a hands-on verb conjugation book, suitable for every learner of Swedish.If you're tired of endless verb conjugation tables that mostly confuse rather than help you learn conjugating verbs, this book will actually teach you how to conjugate: around 500 of the most common Swedish verbs, all fully conjugated and organized in a practical, dictionary-like manner, so that you can easily browse and find what you're looking for.

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 Swedish: A Comprehensive Grammar is an award-winning complete reference guide to modern Swedish grammar. Systematic and accessible, the volume is organised to promote a thorough understanding of Swedish grammar, presenting the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon, and an extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Now in its third edition, the text has been comprehensively updated to conform to new standards set in the description of language and to reflect the recommendations of the Language Council of Sweden. It offers an improved layout, completely revised index and more user-friendly paragraph structure. Continuing the tradition of previous editions, the emphasis remains fixed on Swedish in everyday communication, drawing on modern corpus material, the internet and the media to provide high frequency words and expressions. Examples have been modernised throughout and new content takes account of recent trends resulting from the increasing democratisation of written Swedish. Features include: detailed treatment of grammatical structures and parts of speech a wealth of examples from present-day Swedish particular attention to areas of confusion and difficulty for learners Swedish/English contrasts highlighted throughout the book chapters on word formation, orthography and punctuation. Swedish: A Comprehensive Grammar is the most thorough and detailed Swedish grammar available in English and is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types.
