Treating the Tough Adolescent - A Family-Based, Step by Step Guide is easy to read and well researched and referenced. I can heartily recommend this book to any parent facing difficult problems such as ADHD, truancy, delinquency, aggression, graffiti crimes, substance abuse, disrespect, and many other issues with their teenage children.

Treating the Tough Adolescent: A Family Based, Step by

This book illuminates the causes of severe adolescent behavioral problems and presents a research-based, 15-step model for helping families bring about meaningful change. Incorporating structural and strategic principles, the author's cohesive approach focuses on setting clear rules and consequences; changing the mood and direction of confrontations; neutralizing such problem behaviors as disrespect, truancy, running away, violence, and threats of suicide; and restoring positive, nurturing ...

Treating The Tough Adolescent By Scott P Sells

The fifteen-step treatment model is applicable to very difficult teens and their families, but also offers an approach for shaping the behavior of less disturbed youth. The model is based on a four-year research study with two stated objectives: (1) to develop a treatment manual, and (2) to combine process and outcome research.

Treating the Tough Adolescent: A Family Based, Step by

The counselor is provided with practical instruction to engage an uncooperative adolescent, empower parents to change parent-adolescent communication, stop the adolescent's most severe behavioral problems, and restore nurturance and tenderness between parent and teenager.
