With a failed marriage and bitter betrayal tucked in her suitcase of baggage, Jenna Gregor is admittedly cynical and pessimistic concerning men and the prospect of a lasting relationship. When Bennett Aston sweeps into her life like a sturdy gust of wind, she jumps to defend herself at every angle from his easy confidence, southern charm, and unnerving good looks. But in the shadows of Jenna's past lay deep secrets. And there, a mad woman lurks in the darkness, ready to ruin all Jenna holds dear. As life as Jenna knows it begins to unravel, she finds herself in a tangled web of lies, suspicion, and murder. She must look deep inside herself to find the courage for forgiveness, trust, and self-acceptance. Only then will she discover love, redemption, and ultimately, survival.

Celebrity trainer and goop expert Lauren Roxburgh's program that uses pelvic floor strength to release stress, strengthen the body, and treat the physical and mental origins of tension. Located at our root, all energy and strength flow up from the pelvic floor. Our pelvic floor determines how strong our core is, how we handle stress, and how much energy reaches the rest of our body. In other words, without addressing the health of our pelvic floor, we are all missing out on a powerful key component of our overall physical, emotional, and spiritual health. The Power Source will give readers a deep understanding of how to cultivate this strength in their bodies and in their lives by following a holistic, multi-sensory program that works from the pelvic floor up. The Power Source shows how and why our pelvic floor is so important from a variety of different perspectives, ranging from purely physical body mechanics to how it impacts our nervous system to how it is the seat of all life force energy. Roxburgh demonstrates how it relates to the other areas of our body (or, as she calls them, "containers"), both physically and energetically. And, most importantly, she shares a program for how readers can align their bodies and their lives by adopting an entirely new and more powerful definition of "strength."

You might think she'd be happy to see him again. Not exactly. She's a bit underdressed (as in skinny-dipping) and he's not supposed to exist. Lad knows the law of his people all too well: Don't get careless and Don't get caught. It's allowed his race to live undetected in this world for thousands of years, mentioned only in flawed and fading folklore. Lad's never been able to forget about Ryann since that night ten years ago. When he sees her again, his fascination re-ignites and becomes a growing desire that tempts him to break all the rules. He isn't supposed to even talk to a human, much less fall in love with one. And the timing is atrocious. The Assemblage is coming, the rift between the Light and Dark is widening. Lad may have to trade his own chance at happiness to keep the humans, especially Ryann, blissfully ignorant and safe. \*100,000's of downloads and millions of pages read for the series. 3000+ worldwide reviews, and 11,000+ ratings on Goodreads.
