Zelda comes into her own. Zelda Fitzgerald: Her Voice in Paradise by Sally Cline. New York: Arcade, 2002, 492 pp., \$27.95 hardcover. Reviewed by Nancy Gray. ONE OF THE MOST ENDURING, and romanticized, images we have of early 20th-century art and culture is that of the Jazz Age.

ZELDA FITZGERALD - Arlindo Correia

After her release, the couple returned to Montgomery and rented a home in the city's Old Cloverdale neighborhood (the home is now the Scott and Zelda Fitzgerald Museum). Scott soon left for Hollywood, and in February 1932 Zelda entered Johns Hopkins University's Phipps Clinic, where she completed her only novel, *Save Me the Waltz*, an autobiographical recounting of her unstable marriage.

Zelda Fitzgerald - F. Scott Fitzgerald Society

Its subtitle, 'Her Voice in Paradise', has a double meaning. On the surface, of course, it echoes ironically the title of Scott's famous first novel, *This Side of Paradise*, but there is a Spiritualist dimension as well, evoking a glorified Zelda dictating from the afterlife.

Zelda Fitzgerald, along with her husband F. Scott Fitzgerald, is remembered above all else as a personification of the style and glamour of the roaring twenties - an age of carefree affluence such as the world has not seen since. But along with the wealth and parties came a troubled mind, at a time when a woman exploiting her freedom of expression was likely to attract accusations of insanity. After 1934 Zelda spent most of her life in a mental institution; outliving her husband by few years, she died in a fire as she was awaiting electroconvulsive therapy in a

Read Free Zelda Fitzgerald Her Voice In Paradise Sally Cline

sanatorium. Zelda's story has often been told by detractors, who would cast her as a parasite in the marriage - most famously, Ernest Hemingway accused her of taking pleasure in blunting her husband's genius; when she wrote her autobiographical novel, Fitzgerald himself complained she had used his material. But was this fair, when Fitzgerald's novels were based on their life together? Sally Cline's biography, first published in 2003, makes use of letters, journals, and doctor's records to detail the development of their marriage, and to show the collusion between husband and doctors in a misdirected attempt to 'cure' Zelda's illness. Their prescription - no dancing, no painting, and above all, no writing - left her creative urges with no outlet, and was bound to make matters worse for a woman who thrived on the expression of allure and wealth.

Legend views Zelda Fitzgerald as the mythical American Dream Girl of the 1920s, later as the Southern Belle whose brilliant husband Scott remained loyal despite her frequent breakdowns and final madness. The Zelda that Sally Cline reveals was a serious artist: a painter of extraordinary and disturbing vision, a talented dancer and a witty and original writer whose work Scott often used in his own novels but never acknowledged. Hitherto untapped sources, including medical evidence and interviews with Zelda's last psychiatrist, suggest that her insanity may have been less a specific clinical condition than the product of her treatment for schizophrenia and her husband's behaviour towards her. Cline shows how Scott's alcoholism, too, was as destructive of Zelda and their marriage as it was of

him. Zelda's vivid and tragic life was lived at the height of the Jazz Age. Her circle included Edmund Wilson, John Dos Passos, Ernest Hemingway, Dorothy Parker and Lillian Hellman. Sally Cline evokes that glittering group and also, perhaps more significantly, the Deep South from which Zelda longed to escape but from which she could never free herself.

THE INSPIRATION FOR THE TELEVISION DRAMA Z: THE BEGINNING OF EVERYTHING I wish I could tell everyone who thinks we're ruined, Look closer...and you'll see something extraordinary, mystifying, something real and true. We have never been what we seemed. When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen years old and he is a young army lieutenant stationed in Alabama. Before long, the "ungettable" Zelda has fallen for him despite his unsuitability: Scott isn't wealthy or prominent or even a Southerner, and keeps insisting, absurdly, that his writing will bring him both fortune and fame. Her father is deeply unimpressed. But after Scott sells his first novel, *This Side of Paradise*, to Scribner's, Zelda optimistically boards a train north, to marry him in the vestry of St. Patrick's Cathedral and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined attention and success and celebrity that will make Scott and Zelda legends in their own time. Everyone wants to meet the dashing young author of the scandalous novel—and his witty, perhaps even more scandalous wife. Zelda bobs her hair, adopts daring new fashions, and revels in this wild new world. Each place they go becomes a playground: New York City, Long Island,

Read Free Zelda Fitzgerald Her Voice In Paradise Sally Cline

Hollywood, Paris, and the French Riviera—where they join the endless party of the glamorous, sometimes doomed Lost Generation that includes Ernest Hemingway, Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible. Troubles, at first, seem to fade like morning mist. But not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous—sometimes infamous—husband? How can she forge her own identity while fighting her demons and Scott's, too? With brilliant insight and imagination, Therese Anne Fowler's New York Times bestseller brings us Zelda's irresistible story as she herself might have told it.

“Pure and lovely...to read Zelda’s letters is to fall in love with her.” —The Washington Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

Zelda Sayre started out as a Southern beauty,

Read Free Zelda Fitzgerald Her Voice In Paradise Sally Cline

became an international wonder, and died by fire in a madhouse. With her husband, F. Scott Fitzgerald, she moved in a golden aura of excitement, romance, and promise. The epitome of the Jazz Age, they rode the crest of the era to its collapse and their own. As a result of years of exhaustive research, Nancy Milford brings alive the tormented, elusive personality of Zelda and clarifies as never before her relationship with Scott Fitzgerald. Zelda traces the inner disintegration of a gifted, despairing woman, torn by the clash between her husband's career and her own talent.

Reproduces paintings, drawings, constructions, and other memorabilia, accompanied by essays on Zelda's art and life

Zelda Fitzgerald was the mythical American Dream Girl of the Roaring Twenties who became, in the words of her husband, F. Scott Fitzgerald, "the first American flapper." Their romance transformed a symbol of glamour and spectacle of the Jazz Age. When Zelda cracked up, not long after the stock market crash of 1929, Scott remained loyal to her through a nightmare of later breakdowns and final madness. Sally Cline brings us a trenchantly authentic voice through Zelda's own highly autobiographical writings and hundreds of letters she wrote to friends and family, publishers and others. New medical evidence and interviews with Zelda's last psychiatrist suggest that her "insanity" may have been less a specific clinical condition than the product of the

Read Free Zelda Fitzgerald Her Voice In Paradise Sally Cline

treatment she endured for schizophrenia and her husband's devastating alcoholism. In narrating Zelda's tumultuous life, Cline vividly evokes the circle of Jazz Age friends that included Edmund Wilson, Ernest Hemingway, John Dos Passos, Dorothy Parker, Lillian Hellman, and H. L. Mencken. Her exhaustive research and incisive analysis animate a profoundly moving portrait of Zelda and provide a convincing context to the legacy of her tragedy.

F. Scott Fitzgerald was a handsome, ambitious sophomore at Princeton when he fell in love for the first time. Ginevra King, though only sixteen, was beautiful, socially poised, and blessed with the confidence that considerable wealth can bring. Their romance began instantly, flourished in heartfelt letters, and quickly ran its course—but Scott never forgot it. Now, for the first time, scholar and biographer James L. West III tells the story of the youthful passion that shaped Scott Fitzgerald's life as a writer. When Scott and Ginevra met in January 1915, the rest of the world was at war, but America remained a haven for young people who could afford to have a good time. Privileged and mildly rebellious, the two were swept together in a whirl of dances, parties, campus weekends, and chaperoned visits to New York. "For heaven's sake don't idealize me!" Ginevra warned in one of the many letters she sent to Scott, but of course that's just what he did—for the next two decades. Though he fell in love with Zelda Sayre soon after learning of Ginevra's engagement to a well-to-do midwesterner, Scott drew on memories of Ginevra for his most unforgettable female characters—Isabelle Borgé and Rosalind Connage in

Read Free Zelda Fitzgerald Her Voice In Paradise Sally Cline

This Side of Paradise, Judy Jones in “Winter Dreams,” and above all Daisy Buchanan in The Great Gatsby. Transformed by Scott’s art, Ginevra became a new American heroine who inspired an entire generation.

In 1939 Scott is living in Hollywood, a virulent alcoholic and deeply in debt. Despite his relationship with gossip columnist Sheila Graham, he remains fiercely loyal to Zelda, his soul mate and muse. In an attempt to fuse together their fractured marriage, Scott arranges a trip to Cuba, where, after a disastrous first night in Havana, the couple runs off to a beach resort outside the city. But even in paradise, Scott and Zelda cannot escape the dangerous intensity of their relationship. In Beautiful Fools, R. Clifton Spargo gives us a vivid, resplendent, and truly human portrait of the Fitzgeralds, and reveals the heartbreaking patterns and unexpected moments of tenderness that characterize a great romance in decline.
